

For OEMs of cranes used on cargo vessels, in cargo handling equipment and at bulk & container terminals, Ropeblock is the supplier of choice when it comes to reliable crane hardware. Our portfolio features premium quality sheaves (larger sizes included), hoisting blocks, turnbuckles, sockets and other components.

All Ropeblock products are engineered in accordance with relevant design rules such as those stipulated by DNV. We can provide any applicable certification, ranging from basic ILO-3 certificates to third-party design approvals and witnessed proof loading certificates. Most standard components are available from stock. Should standard products fail to match your exact specifications, our Smart Engineers will waste no time making the necessary adaptations and providing the required solutions.
